Salutes in Honor of the Former President's Memory Fired at Every Military Post and Camp and on Every Warship All Day.

Grover Cleveland, twice President of the United States, was buried this afternoon in the little Princeton cemetery alongside of his daughter Ruth. The ceremony was impressively simple. President Theodore Roosevelt was present to pay tribute to the memory of the great statesman but there was no eulogy or military show.

The funeral procession moved slowly from the Cleveland home to the cemetery between lines of spectators, who stood with uncovered heads. Mrs. Cleveland and her children followed the body. A few words from the minister in charge of the services and the ceremony as prescribed by the widow, was over.
